"Master of the Mountain is, quite simply, a beautiful book. Cherise Sinclair swept me away with her perfect blending of tenderness, healing, erotic discovery, and romance." ~Joyfully Reviewed BOOK DESCRIPTION: Rebecca thinks she is overweight and boring. But with her boyfriend "entertaining" in their cabin, she has nowhere to sleep. Logan, the lodge owner, finds her freezing on the porch. After hauling her inside, he warms her in his own bed, and there the experienced Dominant discovers that Rebecca might not be a swinger...but she is definitely a submissive. Make Me, Sir

“I loved this book! Wait. Let me say this again. I LOVED this book!” ~ Fallen Angels Reviews
BOOK DESCRIPTION: Her job is to make his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he’s not as stuffy as she’d thought. Or as mean. She’d expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he’s furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. “I don't think there is any other option for me than 5 stars. I'd give it a whole lot more if I could.” ~ The Romance Reviews * * * * * “If you’ve not experienced the fantastic work of Cherise Sinclair, now’s a good time to start.” ~ Whipped Cream Reviews

Moundville

"In the thirteenth century, Moundville was one of the largest Native American settlements north of Mexico. Spread over 325 acres were 29 earthen mounds arranged around a great plaza, a mile-long stockade, and dozens of dwellings for thousands of people. Moundville, in size and complexity second only to the Cahokia site in Illinois, was a heavily populated town, as well as a political and religious center." "Moundville was sustained by tribute of food and labor provided by the people who lived in the nearby floodplain as well as other smaller mound centers. The immediate area appears to have been thickly populated, but by about 1350 a.d., Moundville retained only ceremonial and political functions. A decline ensued, and by the 1500s the area was abandoned. By the time the first Europeans reached the Southeast in the 1540s, the precise links between Moundville's inhabitants and what became the historic Native American tribes were a mystery." "Illustrated with 50 color photos, maps, and figures, Moundville tells the story of the ancient people who lived there, the modern struggle to save the site from destruction, and the scientific saga of the archaeologists who brought the story to life."--BOOK JACKET.

Jottings from a Far Away Place

Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, Jottings from a Far Away Place combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

A Series of Plays

\“I was happy in my small town. In my life as a single, thirty-two year old woman. I had a good job, wonderful friends, my independence. I also hadn't been laid in three years. Hadn't been on a date in two. Had stopped counting calories and wearing makeup...a while ago. Then Brett Jacobs waltzed in. Caressed my thigh, dug rough fingers into my hair, lowered his soft mouth to my skin, took sexual control of my mind and stirred it all around with what he packed in his pants. He dumped my quiet life upside down and crawled into a place in my heart I thought was dead. The issue is his secret. The issue is her. The issue is that I don't even know she exists, and he thinks she's dead. The issue is that shit is about to hit the fan and I can't hold on to him tight enough\”--Page 4 of cover.

Brie Learns the Art of Submission

Evolving out of ethnographic fieldwork, this text examines how ideas of social justice are articulated and communicated by pre-service teachers and graduate teaching assistants in the US. By positing the concept of "help" as a central tenet of social justice within teacher education, this volume offers a unique performative analysis of how the concept is communicatively constituted in teacher education and training. Using a social justice framework, the book examines the ways in which new teachers contend with their identities as educators, and demonstrates how these communicative performances influence pre-service and new teachers' perceptions of their role, as well as their responsibility to engage with social justice and critical approaches in the classroom. This text will benefit researchers, academics, and educators in higher education with an interest in teacher education, critical communication studies, and the sociology of education more broadly. Those specifically interested in teacher training, mentoring, and social justice in the classroom will also benefit from this book.
