Building Windows Phone 7 applications using Visual Studio 2010 Express for Windows Phone

Video lessons are divided into four days

Most lessons build on topics taught in previous lessons

Homework!

Hands-on work in Visual Studio is the BEST way to learn

Commit!

Building a simple application from beginning to end

C# Programming Language and the .NET Framework

Silverlight and the Windows Phone 7

Building an entire application using what we learned in this series

Good luck!
