## Greek Mythology

Use this book to learn more about the fascinating mythology from Ancient Greek for a limited time at a DISCOUNTED price. Now with a Bonus Chapter about the Epic Clash of the Titans and Gods In 1955 the poet Robert Graves wrote that Mythology had two main functions. One of these functions was to answer those awkward questions that many children ask, such as 'Who made the world?', 'Where did people come from?', and 'What happens when we die?'. The other was a more adult function; it was used to justify the reason behind an existing social structure and explain where traditional customs and rituals came from. The stories about the gods, goddesses, heroes and monsters that the ancient Greeks told were part of their every day lives. Those stories explained everything from the weather changing to the sun rising on a new day to why bad things happened to good people. Those stories gave meaning to the world. No matter how much time has passed, the lessons and legends told by the Ancient Greek society often have a relevant message to convey to us even today! Greek mythology unfolds before you as you educate yourself about the myths of primordial means by which the world came to be as perceived by the Ancient Greek society and the folklore they passed down through the ages. From Achilles and Troy to The 8 Labors of Hercules, to the clash between the heroic Olympians and the mighty Titans. Unmatched in appeal, Greek mythology, with its origin in antiquity, still manages to captivate the minds of the world, you need not look any farther than new A-list movies that emerge each year about the subject. Here's what you can expect to find in this book... The Olympians, the Titans, the Demigods, the Heroes, the Monsters, and Who They Were The Reign and Fall of Uranus The Moon and Her Lover Helios' Chariot and the Great Destruction/ The Overthrow of Cronos and Zeus' Rise to Power Hermes and Apollo's Lyre Perseus and Medusa Achilles and the Trojan War And Much More! Here's what some customers thought.. Greek mythology has always fascinated me. Even though I watched many movies surrounding it, I never really knew the connections between the characters, etc. This books does a good job of showing how each character is related to each other. It shows who is the wife or husband of who, who is the child of who, and so on. The Titans, Olympians, Demigods, Heroes, and Mortals are all laid out in easy to read fashion. Many battles, like the Achilles and the Trojan war, are talked about in the book also. It is a refreshing look at all the Greek stuff that has many confused. If Greek mythology is interesting to you, then I know this book will help to clear up a lot of things about it. I benefited from the and surely you can too. -Juan deCampos I've always loved Roman and Greek mythology, and I've always read any book I get about them. My favorite goddess is Artemis. While a lot of what's written here are what I read from other books, what I like about this book is it is written in a more concise way. It is easier to understand and, as for the basic understanding of Greek gods and goddesses, this book has all the basic information about the subject. This book is a good supplement for those starting to learn about Greek mythology. -Micha L Don't Wait! Scroll up and click the Buy button to immerse yourself in the fantastic tales and incredible beasts of the ancient Greek society by getting this book!

## Greek Gods

Greek Gods: Parts One and Two Box Set Sale price. You will save 33% with this offer (Regular Price \$5.99). Please hurry up! Greek Gods Part One: Discover the Ancient Secrets of Greek Mythology including The Titans, Heracles, Zeus and Poseidon! (Ancient Greece, Titans, Gods, Zeus, Hercules) Greek mythology has drastically influenced Western civilization, as artists of all form have used Greek mythology as inspiration. Therefore an understanding of Greek mythology can provide not only a glimpse into a lost past, but also help us understand our own heritage. This book will provide an insight into some of the most important figures in ancient Greek mythology. We will look at their various feats of strength, courage and perseverance, as well as some of their romances and conflicts. Additionally, themes will be noted in order to demonstrate how many of the key issues in these myths still pervade today, and to show how the myths developed in order to explain natural phenomenon and inspire heroism in civilization. ## Uncovering Greek Mythology

Get to know the Greek gods and goddesses, from the mighty Zeus, to the temperamental Poseidon, the beautiful Aphrodite, and every character from A to Z. Who were the Olympians, and where did they come from? Why were the Titans overthrown? How did these and other mythology tales shape Greek culture and civilization? Scholars have long been fascinated by the Greeks, and even today we are entertained by the stories of their mythology and pantheon. The Greeks developed an entire religion around powerful, vengeful gods, benevolent yet fierce goddesses, and bizarre couplings that created some of the strangest creatures in the world's mythologies. Who wouldn't want to hear about Zeus and his command of lightning, Hades and how he found his bride, the wisdom of Athena, and so many other stories that capture the imagination. These stories can do more than just entertain; they can also inspire and teach us lessons that were penned by the Greeks themselves. Starting with the creation myth, this book will take you through the stories of the Titans, introduce the Olympians, bring in the demigods, and sneak a peek at the monsters that made up the mythology. You'll learn who all the gods and goddesses were in relation to one another, mythological explanations for natural events, and why any of this still matters today. In addition, you'll discover: The names, powers, and significance of all the major Greek gods and goddesses Rich stories based around the Greek pantheon Moral lessons and cultural values important to the Greeks, preserved in their mythology A brief history of Greek civilization and how they worshipped their gods and goddesses Creatures of Greek mythology that still feature in modern tales today And so much more Greek history! Up on Mount Olympus, along the shores of the Mediterranean, and deep in the Underworld, gods, goddesses, demigods, and creatures linger in the mind and stories of an ancient culture. This culture gave us science, philosophy, and a rich mythology that never stops enticing us. To appreciate the power of their stories for yourself and become absorbed in a world so like and yet unlike our own, click ["add to cart."](#)

## **Zeus**

\*Includes pictures of important places and historic art depicting Zeus and other Greek gods. \*Explains the historical origins of the god and the mythological tales about him. \*Includes a Bibliography for further reading. "I will sing of Zeus, chiefest among the gods and greatest, all-seeing, the lord of all, the fulfiller who whispers words of wisdom to Themis as she sits leaning towards him. Be gracious, all-seeing Son of Cronos, most excellent and great!" - "The Hymn To Zeus," attributed to Homer Zeus is a god of apparent paradox: sublimely regal yet ridiculously fickle, a giver of laws but a slave to his own passions, a being of incredible power who is desperate to possess that which he cannot have. As the leader of the Greek pantheon on Mount Olympus, Zeus was the god of kingship (and the associated elements of law, oaths, the state and the protection of property) and the god of storms, controlling lightning, wind and thunder. In many ways, one of Ancient Greece's most complex gods is also the most understandable, since he seems so human, and because there is plenty of information about him that survived, including the original legends about his birth, his early deeds and his many relationships with other gods, lovers, and humans. Furthermore, scholars have been able to analyze the historical roots of "Zeus" as a concept, identifying what gods he is related to among other cultures, where the legends of Zeus originated, and what this information says about the Ancient Greeks. One of the reasons Zeus remains one of the most recognizable gods in history is because of the spread of his influence. Due to the conquests of Alexander the Great, Zeus was brought along with other elements of Hellenization to Egypt and the Near East, and a few centuries later, Rome all but adopted him as their own chief god, Jupiter. From there, he was exported around the Roman Empire and fused with numerous other local gods in the process. Ultimately, Zeus was a prominent god from the period of pre-recorded history until the Christianization of Greece, which was complete by the early 7th century A.D. It is difficult for modern observers to understand how a hot-headed, sex-obsessed god could command the love and admiration of so many Greeks, not to mention their cultural heirs throughout the Roman Empire. What did the worship of this god provide for his worshipers? How did belief in his existence fulfill their spiritual needs? How was he different from other members of his pantheon? This book explores the figure of Zeus, including his origins, the stories told about him, the way he was worshiped and how he is remembered today. Along with pictures and a bibliography, you will learn about the Greek god like you never have before, in no time at all.

## **Greek Mythology**

Greek Mythology Gods, Heroes and the Trojan War The Greek Mythology is indeed unparalleled in its engrossing appeal. To date, it serves to be an inspiration to box office hit movies, literature and much more. Immerse yourself with in this wonderful ancient world with this informative Greek mythology book and educate yourself with stories that will transport you into the mindset of this fascinating civilization.

## **Greek Mythology**

Captivating Stories of the Ancient Olympians and Titans Did you know that Zeus loved many women, both goddesses and mortals? Did you know that he turned himself into golden rain for one damsel who was locked away in a tower, and turned himself into a swan for another beauty? Did you know that he kidnapped one young princess which led to her brother founding the city of Thebes? And did you know that, to protect his own power, Zeus swallowed his first wife, just as Cronus had swallowed his own children in a previous age? Greek myth is full of fascinating tales of Titans and Olympian gods. Some of it makes us wonder if there might be some hint of truth behind those stories, no matter how outrageous they may sound. What parts of those stories were merely symbolic and what parts were literal? This book contains a brief, but unconventional look at the Titans and Olympian gods of Greek mythology. Brief, because a thorough treatment of these legendary super beings could take thousands of pages. Unconventional, because digging for truth is far more interesting than reciting old stories which have little relevance to us today. Attempting to reveal some semblance of truth brings the stories to life. It gives them relevance to our modern world. Here, we will look at many of the more fascinating stories which kept the Greek mortals entertained for hundreds of years. After all, they didn't have iPhones and computer tablets. Within this book's pages, you'll find the answers to these questions and more. Just some of the questions and topics covered include The Nature of Myth Primordial Beings and Titans Creation of the Universe Birth of the Titans Stories of a Primordial Universe Children of Cronus and Rhea Trouble in Heaven Titans vs. Gods New Pecking Order Prometheus

and the Humans Zeus and His Ladies More Fun from Olympus Metis and Athena Cecrops and Dragons Get your copy by clicking the "Add to Cart" button at the top of this page!

## **Gods, Demigods and Demons**

The essential guide to more than 540 supernatural figures of Greek mythology—as well as notable mortals—from Acantha the nymph to Zeus, king of the gods. Do you know the story behind Pandora's Box, or the difference between Hercules and Heracles? Turn to this alphabetic encyclopedia, with more than 540 entries detailing all the major and minor characters, events, and settings of Greek mythology, from an introduction to the nymph Acantha to a succinct characterization of Zeus, the all-powerful ruler of the gods. This invaluable reference covers all types of heroes, gods, demigods, creatures, demons, and notable mortals, with their classic stories retold in riveting summaries. This comprehensive guide brings Greek mythology to life, and includes a helpful pronunciation key.

## **Zeus**

The first book to capture a complete picture of the most important of Greek gods in one reliable volume for almost seventy years, this masterly and comprehensive study brings a new-millennium examination of the fascinating god Zeus. Broad in scope, the book looks at myth, art, cult, philosophy, drama, theology and European painting amongst much more, and allows us to take seriously what it was to worship and respect the greatest of Greek gods, and to live through the aftershock of the Middle Ages and modern times. Showing the evidence along the way, Zeus is student-friendly and includes: a range of illustrations and maps translated passages from ancient authors a chronology and excellent indexing. Looking at the ancient Greeks their predecessor and their successors – the Romans and beyond – the book is engagingly written and speaks to a modern audience: this is Zeus from our remote ancestors to Wagner, and into the computer age.

## **Greek Mythology**

The myths of Greek heroes give us a glimpse beyond the edge of history, into the lives of very real people. How much of their tales are true, we may never know. Greek heroes taught us many lessons, from Homer's poetry about war and a warrior's return home to the tales of Cadmus, Jason, Herakles and even Oedipus.

## **Greek Gods**

The ancient Greeks believed there were a great number of gods and goddesses. These gods had control over many different aspects of life on earth. In many ways they were very human. They could be kind or mean, angry or pleasant, cruel or loving. They fell in love with each other, argued with each other and even stole from each other. The ancient Greeks built great temples and sanctuaries to their gods. They held festivals in their honour, with processions, sports, sacrifices and competitions. Stories of the gods' exploits were told to children by their mothers and to large audiences by professional bards and storytellers. People today still enjoy hearing stories about the Greek gods. This book tells the tales of gods and goddesses such as Zeus, Aphrodite, Apollo, and Athena and heroes and monsters such as Helen of Troy, Perseus, and Medusa will

fascinate and engage your imagination. Here is a selection of what you will learn: The Creation and the Gods
