Escape from Egypt

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

Bestselling author Robert Morgan offers ten strategies for dealing with hard times and discouragements in order to move from fear to faith—a divine protocol for handling life. Red Sea Rules has been updated with new study questions. Life is hard, especially for Christians. It is certain that we will face difficulties and that God will allow them. But just as certain is the fact that the same God who led us in will lead us out. As The Red Sea Rules makes comfortingly clear, He is in control. Using the Israelites' story in Exodus 14 as an example, Robert Morgan offers ten sound strategies for moving from fear to faith. Just as Moses and the Israelites became trapped between Pharaoh's rushing armies and the uncrossable Red Sea, so are we sometimes overwhelmed by life's problems. In The Red Sea Rules, readers will learn strategies to: Realize that God means for you to be where you are Acknowledge your enemy, but keep your eyes on the Lord Stay calm and confident, and give God time to work View your current crisis as a faith builder for the future The

Red Sea Rules reveals that even in the midst of seemingly impossible situations, God promises to make a way for us. His loving guidance will protect us through danger, illness, marital strife, financial problems, or whatever challenges Satan places in our path.
