EBOOK: Operations Management: Theory and Practice: Global Edition

EBOOK: Operations Management: Theory and Practice: Global Edition

Singapore National Bibliography

Covers the linguistic variety within German speech community and the main systematic linguistic features of the language. Detailed in its use of illustrative texts and examples, and the application of modern linguistic concepts.

The German Language Today

The Productive Body asks how the human body and its labor have been expropriated and re-engineered through successive stages of capitalism; and how capitalism's transformation of the body is related to the rise of scientific psychology and social science disciplines complicit with modern regimes of control. In Discipline and Punish, Foucault cited Guéry and Deleule in order to link Marx's diagnosis of capitalism with his own critique of power/knowledge. The Productive Body brings together Marxism and theories of the body-machine for the goal of political revolution. ,

Bulletin of the United States Bureau of Labor Statistics

The greater cost of marketing live poultry as compared with dressed poultry is partly transportation cost insofar as the poultry is carried by freight. But the major portion is found in the service charges at New York City.

The Productive Body

Describes the various types of equipment and systems used for harvesting timber in British Columbia.

Singapore periodicals index

Softcover version of the second edition Hardcover. Incorporates a new author, Dr. Chris O'Donnell, who brings considerable expertise to the project in the area of performance measurement. Numerous topics are being added and more applications using real data, as well as exercises at the end of the chapters. Data sets, computer codes and software will be available for download from the web to accompany the volume.

Resources in Education

"A subject-author-institution index which provides titles and accession numbers to the document and report literature that was announced in the monthly issues of Resources in education\" (earlier called Research in education).
