

FILE PDF KAPLAN SUCCESS WITH LEGAL WORDS THE ENGLISH VOCABULARY GUIDE FOR INTERNATIONAL STUDENTS AND PROFESSIONALS

How To Master English as a Multilingual

Based on years of experience teaching English to non-native speakers, this insightful How To guide describes not only the particular challenges that multilinguals face compared to native English speakers but also the unique benefits of working in multiple languages.

Kaplan LSAT 1999-2000

This combination book/CD-ROM package provides an effective method for preparing for the LSAT, including cutting-edge electronic performance feedback and a comprehensive practice test with thorough explanations to each question.

Legal English Manual, 2nd Edition

International legal practitioners, LLM candidates, law students, and other legal professionals in countries all over the world must increasingly use the English language every day in their legal work, even when English is not their native language. The Legal English Manual gives global practitioners a one-stop source for technical legal language and commonly used phrases in 14 legal practice areas. It is not a textbook, it is a handbook. Prepared by experienced and native English-speaking lawyers for an audience of lawyers, prospective practitioners, and other legal professionals, the book provides professional legal English, including both U.S. and U.K. terminology, practice-oriented examples, and sample documents for use in daily practice. English has become the lingua franca of international commerce, science, computing, and law. Even non-Anglo-American companies often choose English for international negotiations and agreements. For better or for worse, the use of English in international commerce and international law is inescapable. The ability to use legal English competently and confidently has, thus, become a requirement for lawyers working in an international environment. The Legal English Manual includes: Practical charts featuring common professional terminology for both the U.S. and the U.K., and practice-oriented examples of usage across 14 practice areas. Detailed overview, explanations, and tips for drafting contracts in English. Practical examples of legal documents, appropriate expressions for practical situations, and customizable templates with explanations, as well as tips for legal writing, including e-mails, client correspondence, and legal memoranda. Checklists for client presentations, consultations, contract negotiations, interviews, and more. The Legal English Manual comes from Lawbility, an experienced professional language training provider. Its team of international legal experts and practitioners, linguists, and legal English coaches has structured the book to provide a legal focus (detailed overview of legal terminology), a language focus (examples of professional usage), and a practical focus (common situations arising in legal practice). The Legal English Manual will aid lawyers everywhere to practice law confidently in English.

International Legal English

English is the dominant language of international business relations, and a good working knowledge of the language is essential for today's legal or business professional. This book provides a highly practical approach to the use of English in commercial legal contexts, and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and verbal legal communication in typical legal situations in a straightforward manner. In addition to chapters on the grammar and punctuation utilised in legal writing, the book features sections on contract-drafting and the language used in negotiations, meetings and telephone conversations. It features a companion website which contains exercises covering the majority of the topics covered in the book's chapters. This edition thoroughly revises and expands the content of the companion website and contains updated examples, more detailed explanations of problematic areas and an expanded section on writing law essays.

Legal English

'This is a much needed text on legal English. It deserves a place on the shelf of every law teacher, and should be on the reading list of all students who need to get to grips with language issues...An excellent and up-to-date book that makes the resolution of language law issues accessible and interesting.' Dr Sharon Hanson (PhD), Director of Legal Studies Programmes, Birkbeck College, University of London 'This book fills a very important gap and will be gratefully appreciated by both students and teachers of legal English. It is an authoritative introduction to a field which is becoming more and more significant internationally.' David Rowson, MBE, Head of English, Bellerbys College London. Legal English is designed to assist those who wish to develop and enhance their skills in the use of the English language within a legal context, whether as a native English speaker or someone using English as a second or foreign language.

Legal English

'Legal English' will enable students to confidently write on and discuss legal topics as well as conduct legal work - such as drafting legal documentation, negotiating, litigating, advising, presenting, writing and acting as an advocate.

Topics include corporate and commercial law, liability, real property law, employment law, and more.

Essential Legal English in Context

Winner, 2019 Global Legal Skills Book Award, given by the Global Legal Skills Conference An essential handbook for international lawyers and students Focusing on vocabulary, Essential Legal English in Context introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar because of close spellings but in fact have different meanings. For instance, what is the distinction between "taking the stand" and "taking a stand?" What is the difference between "treaties" and "treatises"? Featuring illustrations and hands-on exercises, Essential Legal English in Context is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm. Instructors can use the handbook in an introductory US legal English course.

English Law and Terminology

As a result of the growing globalization of business and education, an understanding of foreign legal systems has become indispensable for both students and practitioners. In this context, the English common law presents a particular challenge, as it differs significantly from the legal traditions of continental Europe. This second edition of the fourth volume in the Lingua Juris series provides lawyers at all levels with an up-to-date, accessible introduction to English law. The book begins with the legal system, from the historical development of the common law to the modern court structure. Also introduced are key areas of English law, selected for their relevance to practitioners and students alike. With terminology sections and study guides contained in each chapter, English Law and Terminology - A Guide for Practitioners and Students is ideal as a course text or for independent study.

TOLES Legal English

TOLES Legal English: Advanced English for Lawyers, Plain & Simple. International Legal English for Lawyers, Law Professionals & Law Students ("Master Legal Vocabulary & Terminology" TOLES Edition) Most lawyers whose first language is not English face a problem when it comes to setting time aside to improve their communication skills in English, mainly due to a lack of time. This self-study book aims to bridge that gap by providing a structured framework under which law students, lawyers and other law professionals can significantly improve their knowledge of Legal English, contract law and the English legal system. You will be taken through the main vocabulary and grammar structures in commercial contracts and allowed to practise them through highly targeted activities which aim to develop, not only your lexical and grammatical skills, but also your confidence and overall competence within international legal settings. At the end of the book you will find a link to a short glossary with all the main terms of contract law and legal English, together with a phrasal verb mini-dictionary which includes definitions and exercises to perfect your mastery of this area of English. This book provides a complete preparation for Advanced Legal English vocabulary and grammar (from Basic to Advanced level) in the TOLES exam (Legal English)

Law School Admissions Adviser 1999

Legal English is a professional language. This means that a good command of ordinary English does not make a student automatically proficient in legal English. Many foreign law students on English language programmes experience problems when suddenly all their lectures, textbooks, discussions and written work have to be in English. A lack of familiarity with legal English can seriously impede their progress. And a command of legal English is not just a desirable academic skill. It has become an absolute 'must' for today's legal professionals working in internationally orientated law firms. This book is designed for law students who have followed their law studies in a language other than English. Textbooks on English law are too detailed for those who want to understand English legal terminology rather than English law itself. Legal dictionaries are useful but, as the words are ordered alphabetically, terms are treated in isolation. This book offers: * vocabularies providing sets of legal terminology associated with the legal system, civil procedure, EU law, tort, contract law and company law; * text putting the terms in the vocabulary into their legal context; * case discussion questions in order to practice using the terminology; * knowledge questions to ensure that the reader has understood the legal concepts. [Subject: Law, Legal Terminology]

English Legal Terminology

Reviews the Exit-level (tenth grade) TAAS exams in reading, writing, and math, including test-taking strategies and extensive practice exercises, combined with a humorous storyline.
